Dear Mr Bannerjee,

I still had the enclosed notes of yours, and I think you want to take this matter up after your examination. I think they are a little bit too short to be completely understood by me, but you may explain them verbally some time after your examination.

Yours very sincerely,

Dear Mr. Bannerjee,

I still had the enclosed notes of yours, and
I think you want to take this matter up after your examination.
I think they are a little bit too short to be completely under-
stood by me, but you may explain them verbally some time after
your examination.

Yours very sincerely,
