My dear. Haberler,

Enclosed I am sending you the article I promised. I hope it is of about the quality you need. I suppose the graphs must be redrawn and I leave it to your staff to organize all this.

My wife, my children and myself were extremely glad with the parcel Mrs. Haberler sent us. My wife will write to her separately. Please do express her our thanks.

Thank you also for your offprints which I read with much interest.

I have been working a good deal on questions of international trade and hope soon to be able to send you a proof of it.

I As I wrote already to Mr. Harris I wonder whether I could get as a payment for my article a copy of your "Readings on Business Cycle Theory".

Thank you very much beforehand.

With best personal wishes,

yours very sincerely

(J. Tinbergen)
