Dear Heilperin,

I am sorry to learn that you had some difficulties with your eye and that that was the reason we did not meet anymore during my stay in Geneva. I do hope that your doctors are right in their optimistic diagnosis and that this fortnight will not last too long for you.

With all best wishes,

yours very sincerely,

Dear Hellerstein,

I am sorry to learn that you had some difficulties
with your eye and that that was the reason we did not meet anyone
during my stay in Geneva. I do hope that your doctors are right
in their optimistic diagnosis and that this fortnight will not
last too long for you.
With all best wishes,

Yours very sincerely,
