Professor Howard M. Teaf,
College Lane 3,
Haverford, Pa U.S.A.

Dear Howard,

It is by now certain that I shall visit the United States during March and it would be a great pleasure for me to pay a visit for Haverford. During the 19th and 20th of March I wonder whether you would be kind enough to book a room for me in Haverford-hotel for Saturday-night and whether you would do me the favour to inform Gilbert White the Benhams and may be the faculty in general. I hope it will be possible to see some of my many good friends and if I can be of some use to the students I shall be glad. Provisionnally any correspondence could be send perhaps to the United Nations Headquarters, New York, c/o Mr H.W. Singer, room 2676.

Looking forward to see Gertie and you I am
yours,
