Dear Mr and Mrs Urrutia,

Often we are thinking of the wonderful trip we made with you during our stay in Mexico, and we want to thank you once more for all you did for us during that stay. As a modest expression of our thanks we sent you a little book which is just out and gives some picture about Holland. I hope you will consider this as an expression of our gratitude - as long as you have not decided to come to Holland again. In that case we hope that we will have the pleasure of seeing you with us and of being permitted to show you some of the new developments here.

With repeated thanks and
personal wishes,
yours very sincerely,
