27 December 1951

Professor Seymour E. Harris,
322 Littauer Center, —
Cambridge 38 (Mass.)
USA.

Dear Professor Harris,

On my return from a trip to India I found your letter of December 12. In principle I shall be glad to give my comments on Dr Orcutt's article. I have not yet, however, had an opportunity to read it. I shall certainly try to answer as soon as possible.

Yours very sincerely,
