

February 5th, 1955

Nederland Amerika Instituut
Museumplein 4,
AMSTERDAM-Z.

I herewith warmly recommend for participation in the Harvard Summer Seminar Mr J. Piebenga whom I know as a student at the Netherlands School of Economics at Rotterdam.

Mr Piebenga was a very active and capable student and his contributions to my seminar were excellent. He combined a thorough insight in economic questions with a very good understanding of social and human matters.

(J. Tinbergen)
Professor of Econometrics
at the
Rotterdam School of Economics

February 25th, 1952

Nederlandsche Amerika Instituut
Museumplein 12
AMSTERDAM-2.

I herewith warmly recommend for participation in the Harvard
Summer Seminar Mr. J. Piesens whom I know as a student at the
Netherlands School of Economics at Rotterdam.
Mr. Piesens was a very active and capable student and his con-
tributions to my seminar were excellent. He combined a thorough
insight in economic questions with a very good understanding of so-
cial and human matters.
