Dear Mr and Mrs Oakley,

It was very kind of you to send me a copy of the Main Line Times with the picture which we liked very much. It remembered us of the splendid time we had and the friendship we experienced also from you. As a modest expression of our thanks I sent you a little book "This is Holland" which I hope you will like. I hope that some time you will have a chance to see it with your own eyes, and if so, won't forget to see us !

With best personal regards,
yours very sincerely,
