Professor P.C. Mahalanobis,

New Delhi

Dear Dr Mahalanobis,

Thank you very much for yours
of 30 December 1953. May I come back to your
points 1-5 in the next letter? Many thanks anyhow
for having answered my questions so promptly; it
will be interesting to continue this discussion.

I thought I should not let you
wait before answering your point 9. Needless to say
that I am very glad that there will still be a chance
to execute our previous plan. Meanwhile the
Dutch government has decided that their civil
servants can only have a leave of absence for
6 months as a maximum. This is why I can only
come to India from say October 1, 1954 till April 1,
1955 or a similar period somewhat earlier or later.
I hope this information is for the moment suf-
ficient for you to consider the matter further.

Thank you very much for your
kind wishes for the New Year and, please, accept my
best wishes also.

Yours very sincerely,
