Dear Myrdal,

Mrs Myrdal was kind enough to hand over to me, when visiting the Hague during June of this year, your very interesting and stimulating paper on integration. I shall be in Geneva between November 15 and 17 and hope it might be possible for me to see you. Before that time I hope to be able to send you a copy of my little textbook "International Economic Integration" and if you could spare me half an hour or an hour for some discussion on this subject I should appreciate that very much. I also hope to have a chance to meet some of your staff members and I am writing to Lary to this effect.

Looking forward to see you, I am,

yours very sincerely,
