My dear Meade,

I shall spend about a week in Cambridge and during that stay visit Oxford. On my way back on Monday October 29 I am passing through London. I wonder whether I could have a little talk with you, say of an hour after arrival of my train, which leaves Oxford at 2.5 p.m. If that hour does not suit you, please, don't bother. Then I hope to have the pleasure of seeing you at some other opportunity. Please, drop me a little note c/o Dr N. Tinbergen, Banbury Rd 29 A, Oxford. I hope your family and yourself are all well !

With best personal regards,
yours as ever,
