Mr William B. Simpson,
Managing Editor of Econometrica
The University of Chicago,
Chicago 37, Illinois, USA.

Dear Mr Simpson,

Please, find enclosed a short article written by my former colleague Prof. Goudriaan now in Pretoria. I doubt whether it would be suitable for "Econometrica"; it might be more suitable for The Journal of the American Statistical Association. If you think that the better place, please, could you kindly forward the paper ? Many thanks beforehand !

I have pleasure in enclosing also the corrected proof of my article "A comparative Study on Two Decision Models, etc".

Yours very sincerely,
