Professor Dr Dudley Huggins,
Director of the Institute
of Social and Economic Research,
University College of the
West Indies,
Mona, Jamaica, B.W.I

Dear Professor Huggins,

In reply to yours of October 4, I have pleasure to suggest that you take JOCHEMS. It is in fact difficult to choose between the two, but his experience is, I think, just a bit more than Becker's, and he is available at an earlier date.

I am writing you as soon as possible about the possibility of my visiting you.

Yours very sincerely,
