Zeer geachte Heer Louwes,

Uw bijgaande ontwerp lijkt mij zeer goed. Ik heb er een paar kleine opmerkingen bijgezet, die echter met de hoofdzaak niets te maken hebben. Als het zo uitgaat, zal het ongetwijfeld belangstelling wekken.

Met vriendelijke groeten,

Dear Sir,

I am sorry to hear that you are having trouble with your car. I have no doubt that it is a very nice car, but I am sure that you will be able to get it fixed in no time. I have a few suggestions for you. First, I would recommend that you take it to a good mechanic. Second, I would recommend that you take it to a good garage. Third, I would recommend that you take it to a good repair shop. I am sure that you will be able to get it fixed in no time.

Very truly yours,
