Professor John P. Carter,  
c/o Rev. Paul Albrecht,  
14, Route de Jussy,  
Chêne-Bourg,  
G e n e v a

Dear Professor Carter,

Further information about appropriate candidates for the function of instructor learned me that a suitable candidate probably would be Mr P.W.SETON who took his M.A. degree with honors and worked for a couple of years with the Netherlands Transportation Institute. He was recommended to me by Professor H.W.Lambers. J.B.

On closer consideration I also think that Mr VERMETTEN would be a candidate I could recommend.

Yours very sincerely,

Geneva

Dear Professor Carter,

Further information about appropriate candidates for the  
function of instructor learned me that a suitable candidate  
probably would be Mr. P. W. SETHON who took his M.A. degree with  
honors and worked for a couple of years with the Netherlands  
Transportation Institute. He was recommended to me by Professor  
H. W. Lamberts.  
On closer consideration I also think that Mr. VERMISTEN  
would be a candidate I could recommend.

Yours very sincerely,
