The Hague, 26 May 1953
Sijzenlaan 41

53
Prof. Robert H. Strotz,
Managing Editor,
Econometrica,
Department of Economics,
Northwestern University,
Evanston, Illinois.

Dear Colleague,

Under separate cover I am sending you back
G.H. Fisher 's manuscript on investment functions.
I quite agree with you that it is well written and
that the methods followed are adequate. To me it
seems that such an article, although including perhaps
some rather elementary approaches, is nevertheless
interesting and may be useful for many readers. This
is why I would recommend acceptance for Econometrica.

Yours very sincerely,

PROF. DR. J. TIMBERGEN
