Economics,
Sankt Pederstr. 5,
Copenhagen K.

Dear Mr Rasmussen,

Unfortunately I am going on leave on July 1st. Since I have already some commitments during my holiday I am, unfortunately unable to see you during the first week of July. The only possibility would be on Monday, June 30th or^{or} July 1st before noon. If it would be possible for you to change your program accordingly, you will be heartily welcome. If not, I hope we will find another opportunity, or could you discuss some of your problems with my collaborators? In the Central Planning Bureau you will find many of them. Please, call on me at Raamweg 18, the Hague, telephone number 18 34 21, upon your arrival.

Yours very sincerely,

(J. Tinbergen)
