Professor Eraldo FOSSATI,
Via Bertani 4,
Genova

Dear Fossati,

I am glad to tell you that the offprints of my Metroeconomica article have arrived. I did not yet receive, however, the author's personal offprints; neither did I get during the last year the issues of the periodical itself. Excuse me for troubling you with these little things. But experience has shown that your influence is much bigger than that of a letter to the publisher. Thank you beforehand for any trouble you may care to take,

I am,

PROF. DR. J. TIMBERGEN

Professor Eraldo FOSSATI,
Via Bertani 4,
Genova

Dear Fossati,

I am glad to tell you that the offprints
of my Metroeconomica article have arrived. I did not yet
receive, however, the author's personal offprints;
neither did I get during the last year the issues of
the periodical itself. Excuse me for troubling you with
these little things. But experience has shown that your
influence is much bigger than that of a letter to the
publisher. Thank you beforehand for any trouble you may
care to take.

I am,
