Mr. Louis Emmerij, Chief
Employment Planning and Promotion Dept.,
ILO,
Ch 1211 Genève 22

Thank you for yours on October 4 and 5. I am sorry to inform you that I am already occupied on October 4 and that I have made it my rule of life not to participate in dinner parties anymore.

So my request is whether not somebody could be authorized by me regarding my acting as a founding member. I hope there is some sort of a solution of this kind, since I am wholeheartedly among the founding members.

Thank you in advance for what you may be able to do.

Yours sincerely,

J. Tinbergen
