Dr H. Bernardelli,
Huize Zonnetij,
De Lairesestraat 143
Amsterdam-Z.

Dear Dr Bernardelli,

It will be a great pleasure for my collaborators and myself to have some talks with you and to show you what is going on in this office. Unfortunately I am myself completely occupied until next Wednesday. This is why I propose that you should come and see me on Wednesday afternoon, May 14, at 14.30 (2.30 p.m.) at my office Raamweg 18, the Hague. But it will certainly be possible for you to see some other people already before. Since you are staying at Amsterdam I suggest that you should see also Mr P. de Wolff, Municipal Statistical Bureau (Bureau van Statistiek van de Gemeente, Raadhuis) Amsterdam, who is a very good econometrician. Further I suggest that you come to the Hague already before Wednesday and try to see one of the following collaborators at my office: Dr Verdoorn, Mr Kuiken or Dr Theil. You may be sure that probably one of them is present anyhow, even if you come unannounced. You may be also interested to go to Rotterdam, to "Het Nederlands Economisch Instituut", Pieter de Hoochweg 122, (tel. 35.000,) and see either Mr Hartog or Mr Klaassen. At that institute also some econometric work is going on.

Looking forward to see you, I am

yours very sincerely,

(J. Tinbergen)
