Professor Enrico Avanzi,
President of the University
of Pisa.

Dear Professor Avanzi,

Thank you for your letter of February 26. It is very kind of you to think of me in connection with the input-output study conference but I feel that I am not particularly informed about the details. This is why I recommend that some of my collaborators, Messrs Sandee, van der Beld and Links be invited to participate. I am grateful to learn from Mr Sandee that Mr Barna already had contact with them and that it seems probable that at least two of them will be able to attend. I hope your enterprise will be a great success and I do not really doubt it.

Yours very sincerely,

I hope your enterprise will be a great success and I do not really doubt it.
