Dear Dr Bravo,

Not having had a chance to meet you for a 2nd time I want to thank you by letter for the help you extended to me by the documents you lent me. I hope you got them back; I put them on your desk. My visit has been very helpful for the better understanding for both the long-term and the short-term problems of Mexico and the Nedeco. The mission is now thinking over and analyzing the problem. We hope soon to finish our report.

Wit my best personal regards,

yours very sincerely,
