Professor Dudley Huggins,
Institute of Social and
Economic Research,
University College of the
West Indies,
M o n a, Jamaica

Dear Professor Huggins,

I am sorry to report to you that the air communications between Mexico and Kingston are not fast enough to make it possible for me to visit you between leaving Mexico and flying home. Unfortunately I have engagements at an early date and it appears that flying Mexico-Kingston in one day is impossible. I am hoping therefore for another opportunity to visit you. This time the program is too hurried.

Yours very sincerely,
