Dear Mrs Berger Lieser,

Would it, please, be possible to send a copy of my report I prepared for the Monte Carlo Conference on the long-term prospects for Holland to Miss Martha Bullert, Foyer de la Femme, 1, rue de la Vallée, Geneva, Switzerland ?

Miss Bullert is working on a thesis on the impact of the Marshall aid on the Dutch economy and I would appreciate very much her reading my report.

With many thanks for your trouble,

yours very sincerely,
