Dear Professor Parker,

Because of an absence of six weeks I only got your letter today. I am afraid that this letter will not reach you anymore, but I am sending a copy to the High Authority. I very well remember our discussion and recommend to Mr KOHNSTAMM, secretary to the President of the High Authority, to give you whatever help you want. I hope that in this way your purpose will be served.

With kind personal regards,

yours very sincerely,
