Rotterdam, 29th december 1955

Prof. Evsey D. Domar,
The Johns Hopkins University,
Department of Political Economy,
Baltimore 18, Maryland.

Dear Domar,

Thank you very much for your letter of December 7. I felt very honoured and pleased that you thought of me. Unfortunately I am not myself able to come and I do not know of other persons right now. If later on a similar opportunity would exist, I shall be glad to find out who is interested. I am certain that in future I shall find people.

With many thanks,

yours very sincerely,

(J. Tinbergen)
