R o m e .

Dear Mrs Cao-Pinna,

Thank you for your letter of November 14th. I shall be glad to send you a few of my articles. In fact, I am sending now already a stenciled paper on wage and exchange policy. Would there be other papers you are interested in, please, let me know what subjects you have in mind. I enclose a list of the papers I published during the last two years.

Yours very sincerely,
