

PROF. DR J. TINBERGEN

THE HAGUE, 15 February 1954
Sijzenlaan 41

Prof. and Mrs Louis Green,
Haverford College,
Haverford Pa,
USA

Dear Mr and Mrs Green,

We often think of the fine time we had in Haverford and of the kind way in which you received us. I also gladly remember my visit to the observatory. A couple of weeks ago I sent you a little book "Flying over Holland" which I hope you will like. Please, consider it as a modest expression of our thanks !

With all good wishes, I am
yours very sincerely,
