U.S.S.R.

Dear Sirs,

Professor Tinbergen asked me to send you a copy of the "Scope and Methods of the Central Planning Bureau". This booklet, which was published in 1956 is out of print.

Since this version is rather outdated a completely revised issue is being undertaken. Publication will be due approximately January 1967. We shall be happy to send you a copy.

Yours sincerely,

(J. Koopman)
secretary
