Professor Robert H. STROTZ,
Managing Editor, Econometrica,
North-Western University,
Evans ton Ill.

Dear Professor Strotz,

Friends of mine are going to Canada to visit their children, leaving Holland on June 22, to be back in September. They would very much like to let their apartment in a very well-known boarding house to you. The proprietor, Mrs LUBBERS is in the United States at the moment, staying in Cleveland (Ohio) at 2731 Sherbrooke, Shakerheights 22. Perhaps you will contact her yourself on this matter. I'll send her a note to tell her about your visit to Holland.

Yours very sincerely
