Professor C.N. VAKIL,
The Indian Economic Journal,
School Of Economics & Sociology,
University of Bombay,
Bombay 1.

Dear Professor Vakil,

It will be a great pleasure for me to write a short article for the Indian Economic Journal and I shall do my utmost to have it ready in time. As a provisional title may I suggest "The Problem of capital formation in connection with long-term development" ? If you prefer a title in which the Five-Year Plan for India is mentioned, it could also be "Capital formation and the Five-Year Plan." I hope my article will be of some value to you.

Yours very sincerely,
