Dear Mrs Stevens,

Thank you very much for your kind letter of May 17. I did not, however, receive any copies yet, but to-day I got Mr Naeff's copy who was kind enough to send it to me. I wonder whether they have got lost !

I am very satisfied about the book indeed, and I want to thank you for all the trouble and for the attention you gave to this publication. Your service and helpfulness was very much appreciated by Dr Rijken van Olst and myself.

Yours very sincerely,

I am very satisfied about the book indeed, and I want to thank you for all the trouble and for the attention you gave to this publication. Your service and helpfulness was very much appreciated by Dr Rijken van Oost and myself.

Yours very sincerely,
