Sir Robert Hall,
Treasury Chambers,
Great George Street,
London S.W. 1

Dear Sir Robert,

Thank you for yours of February 14, from which I learn that it is your intention to meet for three days this time. Unfortunately I have an engagement on April 28 at Rotterdam, and will therefore only be able to attend on April 26 and 27.

I think the proposals you make as to our meeting are very attractive, and I feel myself in complete agreement with them. I shall do my best to prepare a short note for distribution before March 31, and shall take care of your suggestions as to this note.

Yours very sincerely,
