Professor Eraldo FOSSATI,
Faculta di Economia,
Università,
Via Bertani 1,
Genoa

Dear Fossati,

Please, accept my congratulations with your nomination at the University of Genoa. I understand that it must be much more attractive for you to be at Genoa, also because of the short distance to Varese. Thank you for your kind words about the disaster that struck my country. We are under the impression of so much kindness shown by your country and others !

Yours very sincerely,
