Ab Nordiska Föreningsbanken,
Helsinki.

My dear Suviranta,

Thank you very much for your kind letter. I am looking forward to receive towards the year-end the copies, you promised me, if it were only as a token of my visit to Finland.

I am sending you under separate cover a few publications on the social economic council. Please let me know if I can give you more precise information on some aspects of its activity.

With best personal regards,

yours very sincerely,

(J. Tinbergen)
