

22 February 1950

Professor Dr A. Smithies,
Harvard University,
Cambridge 38 (Mass.)

My dear Smithies,

A friend of mine, Mr R.J.P. van Glinstra Bleeker, has written an article about a proposal to continue in a changed form European Recovery Help after 1952.

Both he himself and I would appreciate very much to know your opinion about this proposal. I am therefore sending you privately his article and would be very grateful for any comment you would care to make.

Yours very sincerely,
