Dear Mr Molodowsky,

I got your letter of September 2 but unfortunately at the very moment that I have to sail to the USA. It is therefore an impossibility to answer your letter before September 20. I shall, however, read your article aboard and let you know my reaction, if any, soon after my arrival which seems to be around the 20th. I am sorry that I can not therefore before your deadline give my comments but I hope we may get into contact soon after that date. My address in the USA will be: 3, College Lane, Haverford, Pa.

Yours very sincerely,
