New Delhi.

My dear Mitra,

I got your letter of April 19 and I am sorry to learn that your position had not yet been fixed. Did you hear anything from Dr H.W. Singer (United Nations, New York)? I understand that he is going to E.C.A.F.E. soon and I recommended you very strongly to him. Of course you must go on ~~working~~ to all institutions that might have interesting work for you to do and do not hesitate to mention my name. I think you should just write to all of them, in order to improve your chances. As soon as I see other possibilities I shall let you know. Working with Dr Singer would certainly be very attractive.

With best wishes and kind regards,
