My Dear Frisch,

Thank you very much for your letter of May 28. I am sorry you are not now able to accept and I hope perhaps later we may come back.

I did not in fact receive any copies of your memoranda; since I am keenly interested in them I immediately wrote to Dr. Abdel Rahman. I recommend myself for your memorandum nr. 15.

Meanwhile some work was done here also and a copy will be sent to you: you are on our mailing-list.

Kindest regards,

Yours ever,

(J. Tinbergen).
