and Social Science
New School for Social Research
66 Fifth Avenue, New York 11 NY

Dear Neisser,

Thank you for yours of March 20. I don't see the
necessity for a rejoinder- so don't wait any longer.

Recently I was in Geneva and told some people of
your investigations about international trade elasticities. They
were very much interested and I suggested to Mr A. Kervyn that
he should write to you.

Yours cordially
