J. TINBERGEN

THE HAGUE, 19 October 1951
Sijzenlaan 41

Professor A. Linder,
Indian Statistical
Institute,
204, Barrackpore Trunk Road,
Calcutta 35.

Dear Professor Linder,

It will be a great pleasure to me to give the lecture you asked me, although I think it would be desirable for me to know something of what possible other lecturers will deal with. I wonder whether we could consult some time before the lecture.

Yours very sincerely,

J. TIMBERGEN
