Prof. Arthur BURNS,
Columbia University,
Department of Economics,
New York City

Dear Professor Burns,

In reply to your telegram I cabled that I hope to be in the USA during the last 3 months of this year. I shall be at Haverford College near Philadelphia where I shall probably be taken from Monday to Wednesday. I have to return, however, to Holland towards the end of December and I do not think that you would be helped out with a substitute for only 3 months. For my part I would be willing to consider the possibility of giving certain lectures or short courses during that time, if that would be of some use to your University. I assume, however, that this does not meet your problem.

I want to thank you very much for the honor you did me to consider me as a possible substitute.

Yours very sincerely,
