Dear Mr Gupta,

I wonder you would be kind enough to help me in the following question. Some of your colleagues probably still have some publications they borrowed from me, e.g. the 5-year Plan and the progress-reports 1951-52 and 1952-53 for India. Would you perhaps be so kind as to ask them who may have these publications and whether they could be sent back to me ?

Yours very sincerely,
