Professor Gerhard TINTNER,
Book Review Editor
ECONOMETRICA,
Iowa State College,
Ames, Iowa, USA.

Dear Tintner,

Please, find enclosed my review of Klein's book. I did not think that a comparison with my own book would make much sense since it is no text-book, but I did make a few remarks on yours and Koopmans's.

With best personal regards, also to Mrs Tintner on behalf of my wife,

yours as ever,
