Dear Mrs Henderson,

I got your letter of January 4. It will be a great pleasure for me to give my formal permission for translating the German article "Die Anwendung des Nationalbudgets zur Beurteilung der Währungslage". I certainly agree with the suggestion to omit the large central table.

I am glad you keep the case of Dr Chait's work in mind.

Yours very sincerely,

Dear Mrs Henderson,

I got your letter of January 4. It will be a great pleasure for me to give my formal permission for translating the German article "Die Anwendung des Nationalbudgets zur Beurteilung der Währungsfrage". I certainly agree with the suggestion to omit the large central table.
I am glad you keep the case of Dr Christ's work in mind.

Yours very sincerely,
