

PROF. DR J. TINBERGEN

THE HAGUE, 19 February 1954
Sijzenlaan 41

126

I hereby declare to know Mr L.F. Manneke as one of my students who is devoting considerable efforts to econometric and statistical work. His B.A. examination ("Candidaatsexamen") showed good marks for economics and sufficient marks for the auxiliary subjects. His intelligence is very good and his personal attitude is nice.

Professor of Mathematical Economics,
Rotterdam School of
Economics.
