Dear Mr and Mrs Heinemann,

Welcome in Holland ! At the moment we are ourselves in Switzerland, but we are looking forward to see you between August 27 and September 3. We hope that you can spare us a dinner at our home at a date which is most convenient to you. As a provisional proposal, may I suggest August 31 ? But if another date suits you better, please, let us know upon your arrival on the 27th.

We are looking forward to see you again and I am interested to hear about your experiences.

With best personal regards,
yours very sincerely
