Professor Dr M.B. AMZALAK,
9, Rua Gago Coutinho,
Cascais,
Portugal.

Dear Professor Amzalak,

I Found your letter after my return from England and excuse myself for the corresponding delay in answering your letter of August 10. Quite recently a new monograph on the national income of Holland has been published by the Central Bureau of Statistics, and I am sending it to you under separate cover.

I am looking forward to receiving the offprints which you mentioned in your letter.

With best personal regards, I remain,
yours very sincerely,
